### GOALTENDER SHARPE: A MODEL OF CONSISTENCY

Concordia's Dave Sharpe has backstopped the Stingers to an impressive 4-1-2 start in OUAA action and N.H.L. scouts are taking note. With a 3.29 G.A.A. Sharpe has re-affirmed his status as one of the top college goalies in Canada. Concordia's amazing turnaround is directly attributable to Sharpe's consistent goaltending each game. The 22 year old Toronto native is in his second year with the Stingers having transferred from Ferris State of the N.C.A.A.

The Stingers tied Guelph Saturday 4-4 as Richard Laplante continued his hot play with 2 goals. Concordia lost Friday night to the University of Western Ontario Mustangs, 3-1. The Mustangs were National Finalists last year after finishing with a 20-2-2 OUAA record.

Concordia travels to Troy, New York for the Union College Tournament this weekend (November 20, 21). Union College and Queens are the other teams competing in the tournament.
